Description

Unit 6 - A mid terraced unit of steel frame with brick, part corrugated sheet metal clad elevations under a pitched metal truss roof with corrugated roof, intermittent roof lights, eaves height of 5.25m, double glazed windows to the front at ground and first floor. There is a loading door to front and rear with additional to two stores to the rear. The ground floor comprise of reception/office, kitchen and separate WC's with first floor being 3 partitioned offices benefiting from lighting, wall mounted air conditioning units and electric heaters. Externally to the front there is loading and parking for circa 5 vehicles.

Unit 9 - Situated to the rear of unit 6 is an attached warehouse of steel frame with part block-work, part brick and cladding to the front elevation with corrugated sheet metal to the remainder, under a twin pitched corrugated roof. Ground floor comprises a workshop and separate WC's. There is a metal frame, timber decked mezzanine floor either side and the rear, with two offices, lighting, heating and double glazed windows. Externally there is a lean to store of brick supporting piers with profile sheet cladding accessed via a side door. There is parking for circa 5 vehicles.

Location

The property is situated on the established Drayton Road estate which is made up of a number of warehouse/industrial units south of Tonbridge town centre within a residential area and is accessed via Lavender Hill with the A21 less than 0.5 mile, providing direct access to M25 junction 5 circa 10 miles to the north. Tonbridge mainline railway station is within walking distance and provides regular services to all London Stations within 1 hour.
