Description

The conversion of this former agricultural barn was carried out to a very high specification, retaining many original features and providing a characterful working environment in a picturesque part of the Test Valley.

The vacant accommodation ranges from a small suite across two rooms to larger, open plan offices that can be let individually or in combination. The offices are generally specified with carpet tile flooring, Category V cabling, suspended ceilings, electric panel heaters and some of the offices have air conditioning cassettes. There are shared kitchen / breakout, WC and shower facilities within Barrow Hill Barn and dedicated parking on site at a ratio of 1:118 sq ft. The property has a fibre optic broadband connection and there are two conference rooms in the building that can be booked out by tenants for meetings for a fee.
