Description

The property was constructed in the 1990's, using steel frame, brickwork elevations and an artificial slate covered pitch roof. There is an attractive and spacious courtyard / break out area at the front of the building.

The premises are entered via a feature full height reception area on the ground floor, which leads to a corridor arrangement which provides access to two separate office areas and toilet / kitchen facilities. The ground floor has been fully refurbished and benefits from part or all glazed partitioning within the ground floor office suite(s). Further Landlord upgrades include LED lighting, full redecoration and recarpeting. The first floor provides for a very similar layout / arrangement, which has been further partitioned by the outgoing tenant, to provide a mixture of private offices / board room / training room. A comprehensive landlord's refurbishment has been completed.

Location

Eastlands is situated on the junction between London Road and New Road, with the Council offices, the Registry Office and Law Courts all within immediate proximity. Access to the private parking is from London Street. The town centre is positioned just to the west, with all shops, services and amenities within waking distance. The Memorial Park is also within a short walk. Junction 6 of the M3 motorway is within 1½ miles drive and the railway station is a 5 -10-minute walk.

Terms

New effective FRI lease(s) are available at a quoting rent of £15.50 per sq ft, contracted outside the Landlord & Tenant Act 1954 part II (as amended), subject to periodic rent reviews.
