LOCATION

The property is situated fronting St. Helen's Road which is a short distance away from the main shopping streets of Swansea City Centre.

The subject property is well placed within the City Centre, close to the prime area and benefits from a good level of passing trade. Swansea has a population of some 240,000 and has a popular, expanding University.

There is also a mainline railway station close by. Swansea City Centre has seen a large amount of redevelopment in recent years to provide additional student accommodation, which in turn has increased activity within the City Centre.
