Description

The buildings known as 10A & 10B both benefit from independent office accommodation and a 10m eaves height to haunch but are fully interconnected if required.

Unit 10A has seven dock levellers and one level access door.

The office accommodation and overall warehousing is currently being refurbished.

Location

Braintree's connections to the city of Chelmsford have recently been significantly improved with the opening of the Beaulieu Park relief road and bridge, which connects the Boreham Interchange on the A12 at Chelmsford directly with the A131, improving travel times on that particular route.

The popular Skyline Business Park has developed over a number of years and is now fully established, being home to a number of high quality occupiers including, amongst others, On-site Modular Homes (Weston Homes), Saffran Aviation, Alphasense, Nexus Infrastructure and Connectix. There is a pub, children's day nursery and a significant Tesco store all close by.

Braintree is located approximately 50 miles northeast of Central London, 12 miles north of Chelmsford and 18 miles to the east of Bishop's Stortford (and Stansted Airport)
