Description

Gloucester Hall was constructed in circa 2004 as a meeting hall and was then used as a children's nursery. The main hall provides a large roughly square space suitable for a wide range of uses subject to any necessary consents. The building also benefits from a well fitted kitchen, comfortable breakout room overlooking the hall, male, female and disabled WCs. Outside there is a large car park with 22 spaces (6 of which are shared with a neighbouring building). There is a further outdoor area previously used for outside play.

Location

The property is in a quiet dominantly residential area, yet very close to the A322 dual carriageway and Jn3 of the M3. Bagshot station and High Street are within walking distance. The towns of Ascot, Camberley, Bracknell and Woking are all within a short drive. The surrounding area provides a very affluent catchment area with abundant parks and heaths and several good schools.
