| EPC Rating     | B (33)                                                                                        |

## Location

Unit 19 is prominently located within the Sheraton Business Centre, situated off Wadsworth Road in the established Perivale Industrial District of West London. The area offers direct vehicular access to the A40 via Bideford Avenue, which connects to Central London to the east and to the M1, M40, M25, and M4 motorways to the west. Perivale London Underground Station (Central Line) lies approximately 0.5 miles from the premises, enhancing public transport connectivity.

## Description

The property comprises a modern steel portal frame mid-terraced warehouse/storage unit with a high-quality specification constructed in 2018. Constructed with part brick and part profile sheet metal elevations beneath a pitched roof, the warehouse benefits from a minimum clear eaves height of 7m rising to 8.4m at the apex. Access is provided via a full height electric roller shutter loading door. The unit includes ancillary offices on both ground and first floor levels. Externally, the property benefits from a dedicated loading bay and four demised parking spaces.

## Tenure

Freehold

## Accommodation

All measurements are approximate and measured on a gross internal area basis.
