Description

This prominent three-storey property on Middlesbrough’s main high street was most recently used for retail, beauty and health services.

The ground floor provides a well-proportioned retail area, with further retail or storage space and WC facilities on the first floor. The second floor offers additional staff or office accommodation. To the rear, an open yard with street access allows for convenient deliveries.

The property features high ceilings and a modern glazed shop front of approximately 4.25 metres, with a ramp-accessible entrance and automatic roller shutter. Internally, it includes LED lighting, air conditioning, toilet facilities and a kitchenette. The large floor-to-ceiling glass frontage across both ground and first floors creates excellent visibility and strong display potential.
