DESCRIPTION

The subjects comprise two terraces of new build industrial units set within a secure gated setting with generous communal yard space and parking.

The units will be of steel portal frame construction with 6 m eaves with elevations clad in modern insulated panels and surmounted by insulated panel roofs incorporating light panels.

Full height vehicle access door plus attractive glazed customer / staff entrance.

Each unit will benefit from WC block plus tea-prep.

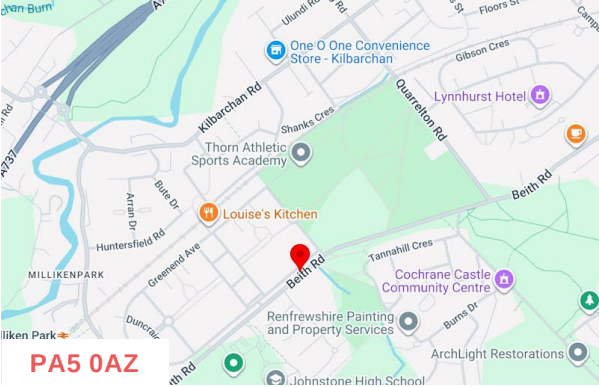

LOCATION

The subjects are located within Johnstone which is situated within the Renfrewshire Local Authority Region just 15 miles west of Glasgow City Centre and 3 miles west of Paisley.

More specifically the site is situated on the south side of Beith Road opposite West Johnstone Learning Centre & Cochrane Castle Primary School.

The A737 is situated just 1 mile north that connects with the M8 at Glasgow Airport in turn connecting with the M74 and M77 beyond.

Nearby public transport links are provided with regular bus services operating on Beith Road whilst Milliken Park Railway Station is just a 10-minute walk north
