Description

The property comprises a detached industrial / warehouse unit, of portal frame construction with brick and blockwork infill with an insulated, corrugated roof with roof lights. The industrial / warehouse offers clear open space, with a small mezzanine storage area.

There is a 3-storey office / ancillary section to the front of the property including a breakout area.

The property is built on a site with the industrial / warehouse on the lower section, and the offices at street level. The access ramp to the rear yard is shared with the neighbouring property.

The property has potential for alternative uses (subject to planning).

A copy of an Edozo plan accompanying these particulars of sale shows the approximate boundaries of the property edged in red.
