Description

The building comprises an industrial/warehouse unit of standard portal frame construction with brick and blockwork elevations together with steel-clad external elevations. Internally, the property provides industrial/warehouse accommodation to the rear accessed via an electric loading door, together with office and showroom accommodation to the front. The unit also benefits from a mezzanine floor providing additional storage and office accommodation.

The property benefits from a solid concrete floor, strip lighting, roof lights, and three-phase power, together with gas and oil-fired space heaters and air conditioning to part of the premises.

Externally, the site provides space for loading together with ample parking provision for staff and visitors.

Location

The property is situated within Magpie Works in Four Marks, in the East Hampshire district of Hampshire. The estate occupies a convenient and accessible location just off the A31, providing excellent road connectivity to Alton, Winchester and Guildford, together with onward access to the M3 motorway and the wider national motorway network.

Four Marks is an established commercial and residential location positioned approximately 4 miles south-west of Alton and benefits from a range of local amenities.
