This former bank is located on the main High Street in Mablethorpe, a single storey building of brick construction under a pitched roof. The building is detached and has access to the rear car park/garden. The building measures approximately 1753 sq. ft, and is still configured as the previous used layout as a bank, with the safe still in situ. The space would be suited to many different users to include retail/leisure/hospitality.

It has a population of 12500 including Sutton on Sea (2011 census) and is well located close to the first Butlin's holiday resort opened in Skegness in 1936.
