Location:

Heading away from Stratford in the North West direction on Timothy's Bridge Road the property is located on the left hand side opposite the tuning for Cygnet Court.

Description:

The property is located on the left hand side as you depart Stratford heading North/West on Timothy's Bridge Road. The premises has road frontage with a car park for 12 cars located to the front elevation of the unit. The property was built in 2007 and is constructed of modern composite panels, twin skin roof panels and a steel portal frame with power floated concrete floor. The accommodation is set out as follows:

The entrance to the unit is located on the right hand side of the unit via a dual elevation glass screen window and through a set of double glass opening doors, this leads into the reception area which is carpeted underfoot. There is a clear glazed partition with a door that leads to the ground floor office with carpeted floor, LED lights set within the suspended ceiling and a window to the site elevation. To the rear of the room is a fitted kitchen featuring base units, space for a dishwasher and a freestanding fridge. There is also a sink, taps and a double wall unit. To the left hand side are two toilets and a under stairs storage space. There is a door that leads of the open plan warehouse unit and the further rear ground floor office room which features a side window, suspended ceiling with LED lights, air conditioning unit and electrical trunking. The balance of the ground floor space is a L shaped warehouse unit which is accessed via a electrically operated sectional overhead access door. The warehouse has a smooth power floated floor, high bay lights, twin skin roof lights, gas heater, three phase electrical supply and a rear access door to a sizable storage/garden area to the rear of the property.

The first floor office accommodation is accessed either via a staircase off the main reception area or a rear staircase via the warehouse. The current layout is four office rooms partitioned via glazed walling although some of this is the previous tenants fit out and is due to be removed. The office space features, front window, two side windows, carpeted floor, suspended ceilings with LED lights, air conditioning system and electrical/data points. At the top of the stairs there is a separate kitchen room which serves the first floor offices.
