Location

Middlemore Lane West in Aldridge, one of the West Midlands' most established industrial and logistics locations.

The estate is strategically located approximately 8 miles north of Birmingham City Centre, 11 miles east of Wolverhampton and 3 miles north-east of Walsall, providing excellent access to the region's major commercial centres.

Connectivity is a key strength, with Junction 7 of the M6 approximately 4 miles away, Junction 10 of the M6 within easy reach via the A454 Black Country Route, and the M6 Toll located just 2 miles from the estate. This provides rapid access to the wider Midlands motorway network, including the M5, M42, M54 and the national strategic road network, making Westpoint Business Park an ideal location for industrial, warehouse and distribution occupiers.
