Each property comprises a ground floor, first floor and second floor office/retail space that would be suitable for a variety of different uses. The previous user of No. 60 was operating an elderly care business, with training facilities on site. As a result, parts of this ground floor have medical standard flooring which would benefit those businesses in medical, physiotherapy and fitness.

The opportunity benefits from a kitchens, W/C facilities, and parking areas suitable for circa 12 cars. Although both 60 and 62 have no internal linking doors between them, they previously did and these could be reinstated if desirable.
