## LOCATION

This popular industrial development is situated approximately ½ mile to the west of Manningtree in an established industrial area with direct access onto the B1352 which links to the A137 leading to Colchester and Ipswich which are both some 9 miles distant. Manningtree railway station with frequent train services to Ipswich and London (Liverpool Street) is close by.

## DESCRIPTION

The development provides a variety of units mainly of steel portal frame construction with brick and profile steel elevations. Full height roller shutter doors and individual personnel doors access the units which all have a single office and male and female toilets.

Externally there are concrete forecourt areas for loading/unloading and on-site parking.
